## INVITATION – ARTIST IN RESIDENCE

**Gone Rustic** is based in a converted industrial building, and specialises in featuring fibre and textile art. My aim is to support and showcase Tasmanian artists in an affordable and unique space.

I would like to invite you to participate as an 'artist in residence' at my studio/gallery, as well as providing other options to promote your arts practice!

### What I offer:

- Free publicity, including via printed flyers, radio and newspaper coverage, social media, email and my website
- Free accommodation with one of our generous local residents
- Free public liability cover
- Unlimited tea and coffee while you are working, including herbal teas
- An opportunity to showcase your art and art practice

### Terms:

A bright and airy studio adjoining the gallery space is available at a cost of \$50 for 2 days, or \$100 for 5 days, with a 20 % deposit of the full amount required to secure your residency. The studio space includes tables and chairs, heating and basic kitchen facilities. I will look after visitors as they come in, and encourage them to observe and interact with you while you are working.

The gallery is open from Tuesday to Saturday, 10 am – 4 pm. Please feel free to select times, and also which days and how many you would like for your residency period (see next page).
